TECHNICAL PROPOSAL

UNICEF Liberia Country Office (LCO)

Request for Proposal for Services (LRPS)

Reference No.: LRPS-2026-9202372 | RFP-001-2026

Long-Term Agreement (LTA): Events Catering & Hall Rental Services (1 + 2 Years)

Submitted by: TOTAG GROUP OF COMPANIES LTD

Submission Date: 23 February 2026

Cover Letter

To: UNICEF Liberia Supply Office (Procurement Team)
UNICEF Liberia Country Office, Monrovia, Liberia

Subject: Technical Proposal – LRPS-2026-9202372 (RFP-001-2026) | Long-Term Agreement (LTA)
for Events Catering & Hall Rental Services (1 + 2 Years)

On behalf of TOTAG GROUP OF COMPANIES LTD (“TOTAG”), we are pleased to submit our Technical Proposal in response to UNICEF Liberia Country Office’s Request for Proposal for Services (LRPS), Reference No. LRPS-2026-9202372, for the establishment of Long-Term Agreements (LTAs) for Events Catering & Hall Rental Services for a period of 12 months with the possibility of extension by an additional 24 months, subject to satisfactory performance.

TOTAG is committed to providing UNICEF with safe, dignified, sustainable, and high-quality meeting and event services—covering in-house catering at UNICEF offices and external catering and venue arrangements—delivered with professional staff, dependable logistics, and robust reporting and safeguards.

In line with UNICEF’s instructions, this Technical Proposal contains no prices. Our separate Financial Proposal is provided as a password-protected attachment in accordance with the submission requirements.

We confirm our readiness to commence services from April 2026 (or as advised by UNICEF) and to comply fully with UNICEF’s contractual conditions, ethical requirements, corporate responsibility expectations, and prevention of sexual exploitation and abuse (PSEA) requirements.

Thank you for considering our proposal.

Sincerely,

M. Tarwoyouberkowu Gwoah

Chief Executive Officer

TOTAG GROUP OF COMPANIES LTD

UNGM No.: 1185811

Executive Summary

TOTAG proposes a responsive, UNICEF-compliant service model that combines (i) high-quality catering services and (ii) reliable venue and hall rental management, including conference rooms, breakout spaces, and optional accommodation arrangements. Our approach is designed to support UNICEF's frequent meetings with staff, partners, clusters, and stakeholders in Monrovia and its environs, with the ability to scale from small meetings (10–50 participants) to large conferences (up to 500 participants) through a network of vetted venues and an on-call operations team.

We will deliver: (a) in-house catering at UNICEF offices, (b) external catering at partner venues or client-selected sites, (c) venue sourcing and contracting, setup and signage, equipment provisioning (PA system, projectors, laptops, translation support), and (d) transportation coordination for participants when requested. We will do so while meeting UNICEF's expectations for healthy food options, dietary preferences (vegetarian and non-pork), sustainability measures (eliminating single-use plastics), and strict hygiene and safeguarding standards.

Understanding of UNICEF Requirements

UNICEF Liberia seeks to establish multiple LTAs with qualified service providers to streamline procurement and ensure timely access to event management, catering, and hall rental services. Services will be requested on a case-by-case basis; UNICEF may order a full package or selected components depending on the event needs. TOTAG understands that UNICEF requires venues with reliable internet, modern conference equipment, sound systems, ventilation, and (where needed) accessibility for persons with disabilities, including suitable breakout rooms to split larger groups into smaller sessions.

TOTAG further understands that UNICEF requires professional catering with high food quality, strict hygiene controls, trained staff, uniformed on-site personnel with good spoken English, and flexible menus that include vegetarian and non-pork options without minimum order requirements. UNICEF expects the selected provider to be able to respond to emergency requests and to pre-finance services, as UNICEF does not provide advance payments. Invoicing will be supported by signed attendance sheets, signed activity reports, and evidence of approved/signed quotations for the services delivered.

Company Profile and Organizational Capability

TOTAG GROUP OF COMPANIES LTD is a Liberian-registered company providing integrated services across multiple business lines, including events logistics, catering, facilities support, and professional services. Through a dedicated Events & Catering Operations Unit, TOTAG offers end-to-end coordination for meetings, trainings, workshops, and conferences—covering planning, vendor management, food service delivery, venue readiness, and documentation.

Corporate information (registration, trade license, tax compliance, incorporation documents, and other authorizations) is provided in the annexes. TOTAG maintains a structured management and control system to ensure timely service delivery, quality assurance, and accurate recordkeeping for all client engagements, including UN/INGO procurement environments.

Technical Approach and Methodology for Rapid Deployment

Service Delivery Model

TOTAG will operate an on-call Service Desk for UNICEF requests, led by an LTA Account Manager and supported by an Operations Supervisor, a Catering Lead, and logistics staff. Requests received will be logged, acknowledged, costed, and resourced using standardized checklists and a service pack aligned with UNICEF requirements. Each event will have a unique service file containing the approved quote, setup plan, catering plan, staff roster, and the post-event documentation required for invoicing.

Lead Time and Response Commitments

TOTAG commits to the following response standards (which can be refined with UNICEF during LTA onboarding):

- Routine requests: acknowledgement within 2 business hours; confirmed resource plan and quotation within 24 hours.
- Short-notice requests (48 hours or less): acknowledgement within 1 hour; confirmation within 6–12 hours subject to venue availability.
- Emergency requests (same-day): rapid deployment within 2–4 hours for in-house catering and within 4–6 hours for external catering/venue support, subject to venue access and participant volume.

Resourcing and Availability

To sustain rapid deployment, TOTAG maintains (i) a roster of trained service staff, (ii) pre-arranged access to event equipment (PA system, microphones, projectors, screens, extension power, and back-up lighting), and (iii) a curated network of venues in Monrovia and surrounding areas. TOTAG will keep pre-approved menu cycles and standard meeting packages to reduce turnaround time while preserving quality and dietary diversity.

Venue, Hall Rental, and Meeting Facilities

TOTAG will provide suitable venues for conferences, meetings, trainings, and seminars through either (a) TOTAG-managed facilities or (b) a network of contracted partner venues. Venue selection will be guided by UNICEF's event size, accessibility needs, security requirements, and location preferences.

Capacity and Breakout Rooms

We can support meeting halls and rooms for group sizes ranging from 10 up to 500 participants, including breakout rooms for 30/10 participant sessions and sub-rooms for parallel discussions. Breakout rooms will be proximate to the main conference hall, well ventilated, and designed to reduce disruptions.

Standard Venue Package

Where venue support is requested, TOTAG will ensure conferencing spaces provide reliable internet, up-to-date sound systems, appropriate seating arrangements (theatre/classroom/U-shape/round tables as requested), water service via dispensers/jugs, and essential meeting stationery (notepads, pens/pencils, flip charts, markers, and boards). Additional services—including flower arrangements, signage, and room branding—will be provided on request.

Accessibility and Safety

TOTAG will prioritize venues that are friendly to persons with disabilities and special needs, including accessible entrances and restrooms where required. For each venue engagement, TOTAG will confirm fire safety arrangements, evacuation routes, and basic security measures and will provide these details to UNICEF upon request.

Catering Services Offer

TOTAG will provide high-quality catering services both in-house (at UNICEF offices) and externally (at venues or client-selected locations). Our catering service is designed to be flexible, culturally appropriate, and aligned with UNICEF's preference for healthy foods.

Dietary Preferences and Inclusivity

Our menus include vegetarian options, non-pork options, and customizable meal plans for dietary restrictions (e.g., allergies, low-salt/low-sugar preferences) without minimum order requirements. We maintain separate preparation and serving controls to reduce cross-contamination risks.

Meeting Packages

TOTAG provides standard packages for AM/PM tea/coffee breaks, snacks, warm/cold lunches, dinners, cocktails, and brunch. The beverage package includes non-alcoholic drinks (water, juices, soft drinks, tea/coffee). All service options can be adapted to UNICEF's event format, time schedule, and participant profile.

Sample Menu Cycles (illustrative)

Continental/Global: Breakfast options may include eggs (scrambled/boiled), sausages, baked beans, toast, fresh fruit, yogurt, cereals, tea/coffee; lunch and dinner options may include grilled chicken/fish, pasta/rice, seasonal vegetables, salads, and desserts.

Liberian: Lunch and dinner options may include jollof rice, fried rice, cassava leaf, palava sauce,

potato greens, grilled fish/chicken, plantain, and mixed vegetables—served with appropriate sides and fruits.

For reception/cocktail events, TOTAG can provide both Liberian and continental options, including finger foods, appetizers, fruits, cold beverages, and multiple dessert choices, in line with UNICEF expectations for variety.

Quality Assurance, Food Safety, and Hygiene

TOTAG operates a food safety and quality assurance system aligned to local regulations and good international practices. We will provide copies of relevant health and hygiene certificates and licenses (including those issued/endorsed by the Ministry of Health) as part of our supporting documentation.

Hygiene Controls

Our controls include staff hygiene requirements, safe food handling procedures, temperature monitoring for hot and cold foods, safe water sourcing and dispensing, and routine sanitation of preparation and service areas.

Continuous Quality Monitoring

For each event, a Catering Lead will perform pre-service checks and supervise food presentation, portioning, replenishment, and timekeeping. Post-event feedback will be captured and used to improve subsequent deliveries under the LTA.

Sustainability / Greening

TOTAG supports UNICEF's greening objectives by minimizing single-use plastics, providing water via jugs and dispensers, and using reusable service ware whenever possible. Where disposables are required, we prioritize biodegradable alternatives.

Staffing Plan and Key Personnel

TOTAG will deploy competent and professionally trained staff with a minimum of two years' relevant experience to support UNICEF workshops and events. On-site service staff will wear clean, consistent uniforms and communicate effectively in English. TOTAG will replace any staff member whose performance does not meet UNICEF expectations.

Proposed Key Personnel (CVs provided in annex):

- LTA Account Manager – single point of contact for UNICEF, responsible for planning, approvals, and reporting.
- Operations Supervisor – oversees venue readiness, logistics, and equipment.
- Catering Lead/Chef – responsible for menu execution, hygiene controls, and food quality.
- Service Team Leads (Front-of-House) – manages table service, replenishment, and guest

support.

- Logistics & Transport Coordinator – manages delivery runs, setup, and optional participant transport.

Reporting, Recordkeeping, and Invoicing Support

To enable efficient settlement and full auditability, TOTAG will maintain a standardized record system for each UNICEF request. For each event, TOTAG will provide:

(i) an approved and signed quotation, (ii) a setup plan and staff roster, and (iii) post-event documentation required for payment processing.

Invoicing will be submitted with: (a) signed attendance sheet, (b) signed activity report form, and (c) evidence of approved/signed quote for the services performed. TOTAG will maintain an electronic archive of all service files and will make records available for UNICEF verification when requested.

Pre-Financing, Payment Terms, and Commercial Commitments

TOTAG acknowledges that UNICEF does not make advance payments and that the selected provider must be able to pre-finance services. TOTAG confirms its capacity to pre-finance 100% of requested services under this LTA and to deliver without disruption.

Prices will be quoted in USD and will exclude VAT and other taxes, consistent with UNICEF's tax-exempt status. For large events requiring substantial up-front costs, TOTAG can accommodate partial invoicing for partial deliveries where permissible and requested by UNICEF.

Corporate Responsibility, PSEA, and Security

TOTAG upholds ethical, social, and environmental responsibility and confirms no prior record of inappropriate conduct in corporate responsibility matters. TOTAG will sign and submit UNICEF's PSEA form and will enforce a zero-tolerance approach to sexual exploitation and abuse.

All staff assigned to UNICEF events will undergo background checks and will have police clearance or guarantor certification as required. TOTAG will maintain a suitable security plan for fire safety and evacuation and will coordinate with venue management to ensure emergency procedures are understood and communicated to UNICEF where needed.

Relevant Experience and References

TOTAG has provided catering and event support services for public and private sector clients in Liberia, including meetings, trainings, and conferences. A list of at least three major client references, with contact details and brief descriptions of comparable assignments, is included in

the annexes.

Where applicable, TOTAG will also provide evidence of prior engagement with UNICEF or other UN agencies and demonstrate familiarity with UN procurement and service delivery expectations.

Annexes (Submitted as Separate Supporting Documents)

The following documents are included/attached as supporting annexes in the full submission package:

- Annex A – Completed UNICEF Supplier/Company Profile Form (Supplier Questionnaire)
- Annex B – Certificate of Registration (Liberia) and Business Registration Documents
- Annex C – Trade License (English Version)
- Annex D – Tax Registration Certificate (most current)
- Annex E – Certificate of Incorporation (if applicable)
- Annex F – Company Profile (structure, line of business, staff strength)
- Annex G – Health & Hygiene Certificates/Licenses (Ministry of Health and applicable authorities)
- Annex H – UNGM Registration Evidence and UNGM Registration Number
- Annex I – Signed UNICEF PSEA Form
- Annex J – Key Staff CVs (Account Manager, Operations Supervisor, Catering Lead)
- Annex K – Client References (minimum three)
- Annex L – Security & Emergency Plan Summary (fire safety, evacuation)
- Annex M – Corporate Responsibility & Ethics Declaration
